

# ATTESTATION

of conformity of factory  
production control

**Nr. 0765-CPR-0372-1/2025**

**Inspection date: June 3, 2025**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that the construction product

**Birch plywood EN 636-3 S**

plywood | birch | phenolic-formaldehyde (PF)/ lignin-phenolic-formaldehyde (LPF) |  $4 \text{ mm} \leq 50 \text{ mm}$   
unfaced (EN 636-1 and EN 636-2) for internal use as structural components in dry and humid conditions |  
laminated and edge sealed (EN 636-3) for external use as structural components

placed on market under the name or trade mark of

**A/S Latvijas Finieris**  
**mill "Lignums"**  
**Finiera iela 6**  
**1016 Riga**  
**Latvia**

and produced in the manufacturing plant

**A/S Latvijas Finieris**  
**mill "Lignums"**  
**Finiera iela 6**  
**1016 Riga**  
**Latvia**

is submitted by the manufacturer to a factory production control and that the notified body No. 0765 – Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut WKI – performed the continuous surveillance, assessment and approval of the factory production control in first half-year 2025.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 13986:2004+A1:2015**

were applied.

This attestation is part of the evaluation report and confirms the CE certificate with No. 0765-CPR-0372 in System 2+ as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
