In compliance with the Construction Products (Amendment etc.) (EU Exit) Regulations 2020 (as amended 2022), this Certificate applies to the construction product:

Product Name Birch Plywood

Technical class EN 636-1 for internal use as a non-structural and a structural component
in dry conditions - Unfaced

Technical class EN 636-2 for internal use as a non-structural and a structural component
in humid conditions - Unfaced

Technical class EN 636-3 for external use as a non-structural and a
structural component – laminated edge

Thickness range: 4-50mm – Glue type: PF & LPF

Produced by: Latvijas Finieris AS.

Bauskas Iela 59,
Riga,
LV-1004
Latvia,

and produced in the manufacturing plant:

Latvijas Finieris AS.

Mill Lignums,
Finiera Iela 6 ,
Riga, LV 1016,
Latvia,

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the UKAD or Annex ZA of the UK Designated standard(s) :

EN 13986:2004 +A1:2015

Under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This Certificate was first issued on 18 December 2024 and remains valid for as long as the test methods and/or factory production control requirements included in the UK Designated Standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control Certification Body.

Signed on behalf of the British Board of Agrément:

Hardy Giesler
Chief Executive Officer
